

## CORTO PRIVATE COMFORT CAMPS

---

Corto Safaris would like to introduce you to their private tented camps situated in stunning locations, bringing back the experience of the safaris of old.

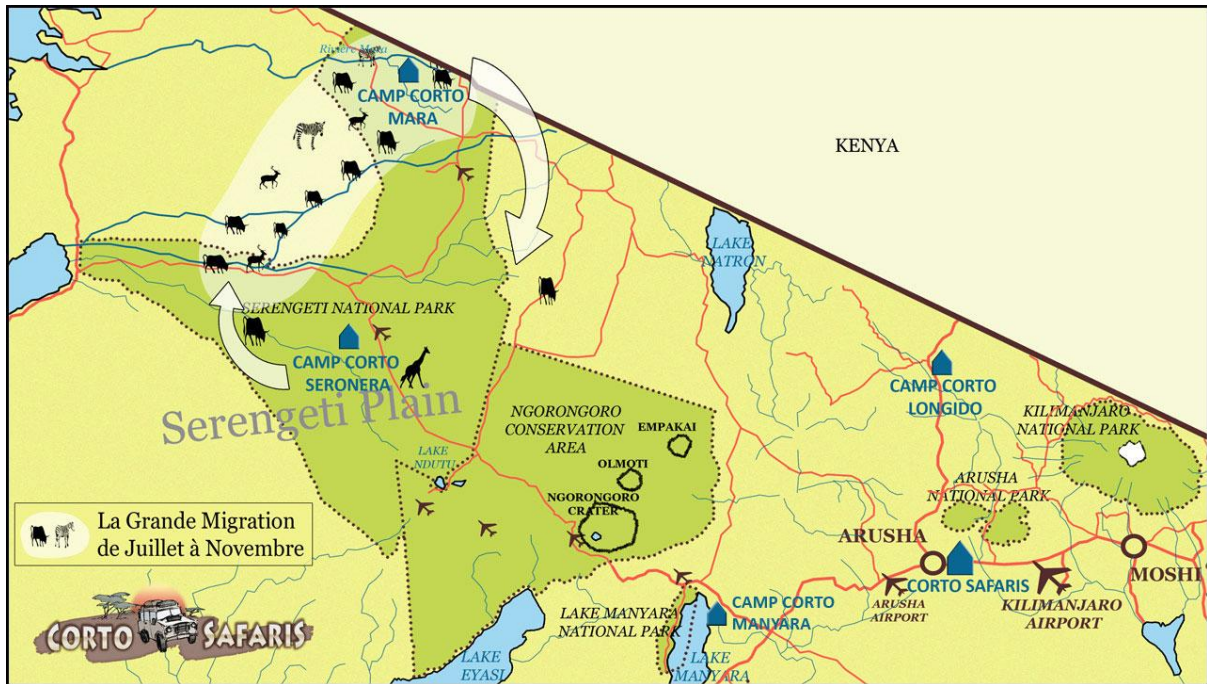

The 3 permanent camps are located in **The Serengeti**, on the shores of **Lake Manyara** and in the **Masaï Land**, west Kilimanjaro, where you can observe the wildlife on foot and experience everyday life in the nearby villages. 2 other semi-

permanent fly camps are specially put up to follow the Wildebeests' Great Migration in the **Northern and Eastern Serengeti**, moving seasonally with the movement of the herbivores.

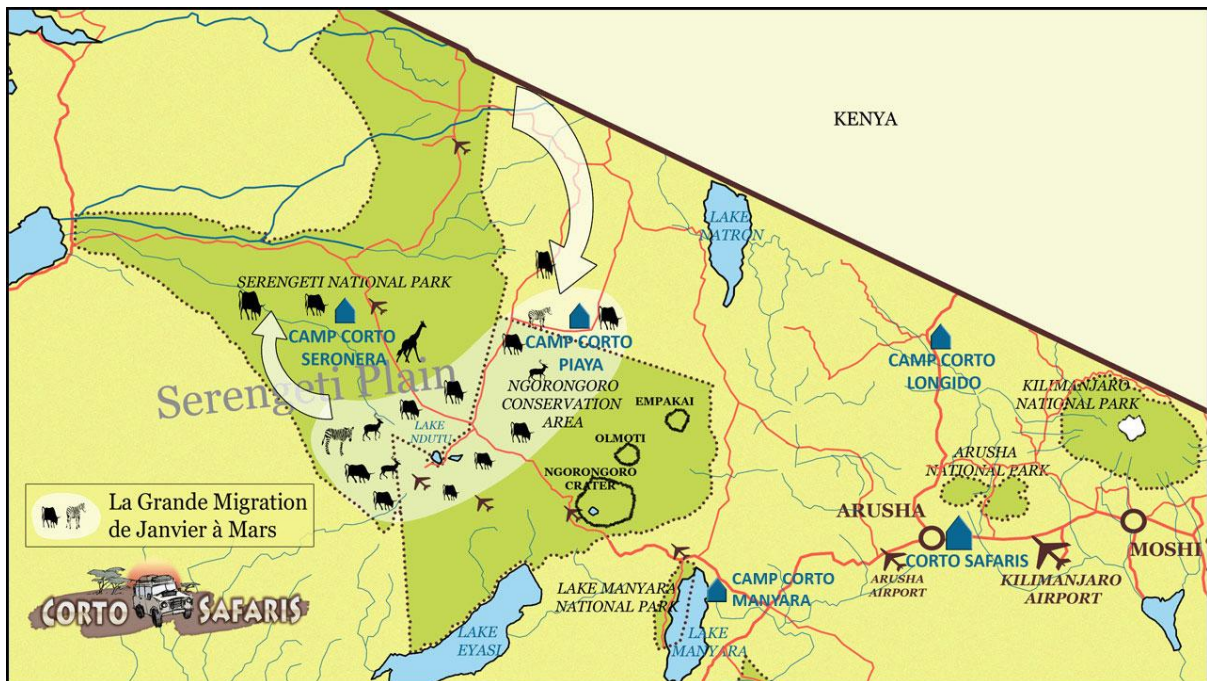

After your sightseeing adventure, enjoy the comfort of our private camps with their truly « Out of Africa » atmosphere, where you'll appreciate the friendly team ready to pamper you after your safari. We'll do our best to make your stay unforgettable.

## CORTO CAMPS LOCATIONS

*The Corto Camps – between late June and November*

*The Corto Camps – between January and May*

## CAMPS DESCRIPTION

### The Tents

Our Safari tents are extra large (25m<sup>2</sup>) with standing headroom. The tents are equipped with:

- Solid wooden double or twin beds with foam mattresses, pillows, blankets and mosquito nets.
- Bed sheets and towels are provided and changed every day.
- Two bedside tables, a folding wardrobe for clothes and two safari chairs.
- Private bathroom attached to the tent with flushing toilet, shower and hand basin with mirror.
- Low table and chairs set at the front of the tent under the awning for enjoying in the view.
- Tea & Coffee are available inside the tent
- Honeymooners Surprise!

### Family Extras

- We can add up to 3 single beds in the tent to accommodate families in privacy, safety and comfort.
- Baby cots and car seats are also available.

## Facilities

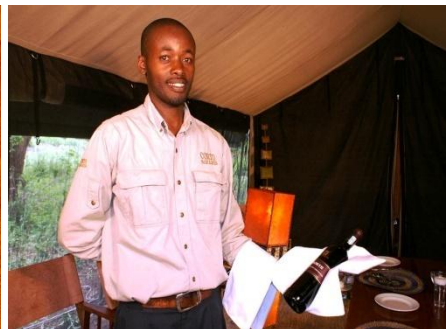

- Hot and cold water are provided by our staff as required.
- All tents are fitted with mosquito nets on doors and windows.
- It can get cold during the night, particularly in the Northern parks, and we provide adequate blankets and an outdoor log fire.
- Lighting provided by solar power.

## Food & Drinks

Meals are prepared by a trained chef using fresh produce and served in the Dining tent.

Several Dining tents are available on each camp, ensuring that you eat in style and privacy.

A selection of drinks can be found on the menu and are charged according to consumption. A menu with prices is available on request.

## Other Services

- A “Chef de Camp” is responsible for the whole camp and for serving meals.
- An additional vehicle is provided with a driver and a radio in order to transport equipment and keep the camp supplied in water and food.
- A “Lounge / Bar Tent” is available for your relaxation and to welcome you into the camp

## Security

In Masai Land, Masai Warriors are responsible for the security in the camp and also during walking safari (when approaching animals). In the northern parks, it's forbidden to walk (except in Ngorongoro). Rangers patrol and take responsibility for your safety. Your driver/guide and the staff of the camp are also here to help you if necessary.

Always be careful, in case you may feel unwell please alert the staff and they will take you to the nearest dispensary (they aren't allowed to give you medicines or care).

In the unlikely case of an emergency, our camps are always located next to an airstrip, in case we need a quick evacuation.

**CORTO SAFARIS wish you an Excellent trip**
